

LOVEMUSTACT

Partnerships for Sustainable Education

This is not a request for donations!

It is a celebration of the change you've made in the midst of a bad situation.

We hope it brightens your self-distanced day!

Love Must Act is actively applying for grants, but we've made a decision NOT to solicit funds from our individual partners during this time of uncertainty and anxiety. Who needs more of that!

Instead, we hope it might brighten your self-distanced day to be reminded of what is going on thanks to your support up to this point. The Holy Cross School is closed at the moment at the request of President Cyril Ramphosa of South Africa, but we've included some video from sports day on March 7 during Andrew Joyce's recent visit (he made it home on Delta's last flight from South Africa!).

Anyway, we hope you enjoy it and know how blessed these children are to be supported by you and how grateful we all are.

You are the reason I have hope. I hope you have it, too.

Take care of yourselves.

Agape,

Bishop Stacy Sauls
Founder and President

The Holy Cross School
